## *This is Always My Prayer*

You go your way and I go mine  
Apart yet not apart  
A thin veil hangs between us  
On the pathway where we are

And God keeps watch between us  
This always is my prayer  
That He looks your way and He looks mine  
And ever keeps us near.

I know not where your road may lie  
Or which way mine will be  
If mine will lead through parching sands  
And yours beside the sea.

And God keeps watch between us  
This always is my prayer  
He holds your hand and he holds mine  
And ever keeps us near.

Should wealth and fame perchance be thine  
And my lot lonely be  
Or you be sad and sorrowful  
And glory be for me.

Yet God keeps watch between us  
We both are in his care  
One arm around you and one around me  
This always is my prayer.
